RedLeg listed in major UK supermarket chain

Distil plc (“the Group” or “Distil”) (AIM: DIS), owner of premium drinks brands, is pleased to announce that a leading group of supermarkets has listed RedLeg Spiced Rum (“RedLeg”) for 700 of its largest stores throughout the UK in time for the Christmas period.

This follows the successful listing of RedLeg in April 2015 by a major UK grocery chain and significantly increases this brand's presence and availability in the UK. We continue to add to the growing of number bars, restaurants and specialist off-licence stockists that already sell the brand.

Don Goulding, Executive Chairman of Distil, said:

“We are delighted that RedLeg Spiced Rum continues to build distribution in all sectors of the trade and has been listed by this major chain of supermarkets in the UK. We are confident that this will further enable us to create much greater awareness and trial of this increasingly popular brand.”
