- 5. Appointment of a proxy does not preclude you from attending the general meeting and voting in person. If you do vote in person at the meeting, that vote will override any votes previously submitted in respect of those shares.

#### Explanatory notes to the notice of the Annual General Meeting

This note sets out details of the Company's Annual General Meeting ("AGM") which is to be held at 71-73 Carter Lane, London, EC4V 5EQ on 3 August 2023 at 11:00 a.m.

The formal notice of AGM is given on pages 2 to 4 of this document and summary details of the resolutions to be proposed at the AGM are set out below.

This year, 6 resolutions are to be proposed at the Annual General Meeting. Resolutions 1 to 4 are ordinary resolutions and require a simple majority to pass. Resolutions 5 and 6 are special resolutions and require a majority of at least 75% to be passed. The purpose of each of the resolutions is as follows:

## **Ordinary Resolutions**

### **Resolution 1: The Accounts and Reports**

Section 437 of CA 2006 requires the Directors to lay copies of its annual accounts and reports for the year ended 31 March 2023, together with the auditor's report thereon. This resolution addresses that requirement.

#### Resolution 2 and 3: Auditors

The Company is required to appoint auditors at each Annual General Meeting at which accounts are laid before shareholders, to hold office until the next such meeting. Resolution 2 proposes that PKF Littlejohn LLP be re-appointed as auditor for the current year. Resolution 3 proposes that the Board be authorised to determine the level of the auditor's remuneration.

#### Resolution 4: Authority to Allot

This resolution deals with the Directors' authority to allot securities in accordance with section 551 of the Companies Act 2006 and complies with the Investment Association Share Capital Management Guidelines issued in February 2023.

If passed, the resolution will authorise the Directors to allot:

- (i) Equity Securities up to a maximum nominal amount of £456,266.39 which represents approximately two-thirds of the Company's issued ordinary shares (excluding treasury shares) as at 6 July 2023 (being the latest practicable date prior to publication of this document) (ISC) in relation to a pre-emptive offer, with authority for the Directors to deal pragmatically with legal, regulatory and logistical issues arising from a fully pre-emptive offer (e.g. fractions of shares and overseas securities laws). This maximum is reduced by the nominal amount of any Equity Securities allotted under the authority set out in paragraph 4.2 of the resolution); and
- (ii) Equity Securities up to a maximum nominal amount of £228,133.19 otherwise which represents approximately one-third of the Company's ISC. This amount will be reduced to the extent that Equity Securities allotted pursuant to paragraph 4.1 exceed £228.133.19 in nominal value.

The maximum nominal amount of securities which may be allotted under this resolution is therefore £456,266.39.

The authority granted by this resolution will expire on the earlier of the conclusion of next year's annual general meeting and the date which is 15 months after the resolution is passed.

The Directors have no present intention to exercise the authority conferred by this resolution.

## Special Resolutions

## Resolution 5 and 6: Disapplication of pre-emption rights

Under CA 2006, the Directors require shareholder authority to issue Equity Securities for cash without first offering them to the whole shareholder base pro rata to their existing holdings in accordance with the statutory requirements of section 561 CA 2006. Resolutions 5 and 6 will, if passed, give the Directors this authority within the specified limitations. Resolution 5 provides a general authority and resolution 6 is in respect of allotments to finance acquisitions and capital investments.

These resolutions are in line with the Pre-Emption Group's Statement of Principles 2022, the template resolutions published by the Pre-Emption Group in 2022 and the Share Capital Management Guidelines published by the Investment Association (as updated in February 2023) (Investor Guidelines). The Company notes the increase in the acceptable levels of authority set out in the Pre-Emption Group's Statement of Principles 2022 and the Directors consider it appropriate for the Company to seek those enhanced approvals to maximise its ability to act swiftly in the interests of shareholders should a need or opportunity arise.

Put simply, the Directors will, if the resolutions are passed, have authority to freely allot up to 10% of the ISC for cash, with additional allotments for cash permitted only for:

- •offers which are essentially pre-emptive but enable the Directors to make pragmatic decisions to deal with logistical and regulatory issues in connection with the offer (up to 66.7% ISC in total);
- financing specified investments and acquisitions in line with the Investor Guidelines (up to 10% ISC); and
- specified follow-on offers in line with the Investor Guidelines (up to 20% of the nominal value of shares allotted under the original offer process (maximum 2% of the ISC).

The Directors have no present intention to exercise the authority conferred by these Resolutions.

The authorities set out in these Resolutions will expire on the conclusion of next year's annual general meeting or, if earlier, on the date which is 15 months after the date the resolution is passed.
